72 Touring jacket long

With Airguard® 500D and two layers over all CE marked (EN1621-1 / EN1621-2) shoulder, elbow and back protectors, this double Dynax special complete with 3M Scotchlite and same-coloured double stitching offers the outer shell you need for maximum safety – and the inner lining, too! While Suzuki-branded 210 T Taffeta and a high-grade Z-Liner membrane (100% waterproof and breathable) provide the basics for a comfortable ride, a two-vent front and rear air-control system and the attached Lorica® neck warmer (included only with 990F0-STEX1-Size and 990F0-STEX2-Size) set you up, whatever the weather. For a more individual fit, elbow protectors can be adjusted into one of two positions and stretch material along the inner arm and side promises comfort even on long tours. Team this gem up with Suzuki's touring pants (990F0-STEX4-Size) by means of the long connecting zipper for a perfectly comfortable ride – or use the short zipper to connect other manufacturers' garments.

75 Touring pants

Similar to the touring jacket, the Suzuki touring pants promise nothing but comfort and safety. From the Airguard® 500D outer shell, complete with adjustable Dynax-padded, CE marked (EN1621-1) knee protectors, 3M Scotchlite features, coloured double stitching and an Alcantara® seat patch for more grip to the Suzuki-branded 210 T Taffeta lining and high-grade Z-Liner membrane (100% waterproof and breathable), this touring all-rounder truly leaves nothing to be desired, come rain or shine. While the two-vent front air-control system and stretch material across the groin and knees lets you balance out all climates, the special long zipper lets you connect your touring jacket (990F0-STEX1-Size /990F0-STEX2-Size) and your sport jacket (990F0-STEX3-Size) – or jackets from other manufacturers' via the short zipper.

73 Mesh jacket

Full speed ahead, but safety first: choose this verstaile mesh jacket with Airguard® 500D outer layer and mesh lining for its high safety performance, style and various special features. While the 3M Scotchlite, coloured double stitching and CE-marked (EN1621-1/EN1621-2) protectors for your shoulders, elbows and back promise maximum safety, the specially-developed comfort collar system, the high-grade detachable Z-Liner membrane (100% waterproof and breathable) and the long connecting zipper for the touring pants (990F0-STEX4-Size) and the short zipper for other manufacturers' garments make for a perfectly comfortable ride.
