50 Cruiser jacket¹

Universal with Airguard® 500D and two layers throughout. CE-marked (EN1621-1 / EN1621-2) shoulder, elbow and back protectors, this double Dynax special, complete with 3M Scotch-lite and same-coloured double stitching, offers the outer shell you need for maximum safety – and the inner lining, too! While Suzuki-branded 210 T Taffeta and a high-grade Z-Liner membrane (100% waterproof and breathable) provide the basics for a comfortable ride, a two-vent front and rear air-control system and the attached Lorica® neck warmer set you up, whatever the weather. For a more individual fit, elbow protectors can be adjusted into one of two positions and stretch material along the inner arm and side promises comfort, even on long tours. Team this gem up with Suzuki's touring pants (990F0-STEX4-Size) by means of the long connecting zipper, for a perfectly comfortable ride – or use the short zipper to connect other manufacturers' garments.

Black, sizes: XS-4XL
P/N 990F0-STEX1-Size

51 Cruiser pant¹

Similar to the touring jacket, the Suzuki touring pants promise nothing but comfort and safety. From the Airguard® 500D outer shell, complete with adjustable Dynax-padded, CE-marked (EN1621-1) knee protectors, 3M Scotchlite features, coloured double stitching and an Alcantara® seat patch for more grip, to the Suzuki-branded 210 T Taffeta lining and high-grade Z-Liner membrane (100% waterproof and breathable), this touring all-rounder truly leaves nothing to be desired, come rain or shine. While the two-vent front air-control system and the stretch material across the groin and knees let you balance out all climates, the special long zipper lets you connect your touring jacket – or jackets from other manufacturers via the short zipper.

Black, sizes: XS-4XL
P/N 990F0-STEX4-Size

If you are looking for more riding gear articles such as helmets, kidney belts, protectors or even touring gloves, please take a look at the new fashion & more brochure.

52

52 Cruiser gloves¹

Wrap safety around your little finger – and the other four, too! Thanks to their extra palm padding, pre-formed fingers and excellent fit, these genuine, lightweight leather touring gloves with a mix of Airguard® 500D and reflective Nyspan and a full polyester lining, offer all the protection, comfort and style you could ask for.

Black/Grey, sizes: XS-XXL

53 Backpack

Conquer the great outdoors with this sturdy all-rounder: from ergonomically formed bottle holder to eyelet-fitted pockets for your mobile phone, intercom or MP3 player, integrated rain hood, helmet net and enough space for your laptop, this practical Suzuki backpack makes sure your stuff stays dry and in one piece – whatever adventure you may embark on.
