The top case is perfect for all those who like touring with their Burgman in comfort and style. The maximum load is 5 kg, the volume 47 litres. The top case can only be mounted using the stable, top case carrier that is specific to the vehicle – perfect for simple and precise mounting, as well as safe handling.

Important: with the 47-litre top case, it is essential to order separately the cover painted in the corresponding vehicle colour.

Comfortable: if you are travelling with a pillion passenger, you cannot do without the optional backrest pad on the top case.

Practical: the inner bag protects your luggage and makes it easier to carry.

Give your Burgman that personal touch

Top cases are perfect for all those who like touring with their Burgman in comfort and style. The maximum load is 3 kg, the volume 33 or 37 litres. Top cases can only be mounted using the stable, top case carrier that is specific to the vehicle – perfect for simple and precise mounting, as well as safe handling.

Important: with the 37 litres top case, it is essential to order separately the cover painted in the corresponding vehicle colour. Or switch to the convenient version with a black (unpainted) lid. The 33-litre top case can be ordered immediately in the corresponding vehicle colour. Vitaly important: when ordering the top case carrier, it is essential to order the appropriate mounting sets at the same time.

Comfortable: if you are travelling with a pillion passenger, you cannot do without the optional backrest pad on the top case.

Practical: the inner bag protects your luggage and makes it easier to carry.

Note: Important information for riding with luggage!

Max. load of 3 kg each for top case. Max. speed with top case: 130 km/h.

69 Scooter jacket⁴

Universal with Airguard® 500D and two layers throughout. CE-marked (EN1621-1 / EN1621-2) shoulder, elbow and back protectors, this double Dynax special complete with 3M Scotchline and same-coloured double stitching offers the outer shell you need for maximum safety - and the inner lining, too! While Suzuki-branded 210 T Taffeta and a high-grade Z-Liner membrane (100% waterproof and breathable) provide the basics for a comfortable ride, a two-vent front and rear air-control system and the attached Loric® neck warmer set you up, whatever the weather. For a more individual fit, elbow protectors can be adjusted into one of two positions and stretch material along the inner arm and side promises comfort even on long tours. Team this gem up with Suzuki's touring pants (990F0-STEX4-Size) by means of the long connecting zipper for a perfectly comfortable ride - or use the short zipper to connect other manufacturers' garments.

Black, sizes: XS-4XL
P/N 990F0-STEX1-Size

70 Scooter pant⁴

Similar to the touring jacket, the Suzuki touring pants promise nothing but comfort and safety. From the Airguard® 500D outer shell, complete with adjustable Dynax-padded, CE-marked (EN1621-1) knee protectors, 3M Scotchline features, coloured double stitching and an Alcantara® seat patch for more grip to the Suzuki-branded 210 T Taffeta lining and high-grade Z-Liner membrane (100% waterproof and breathable), this touring all-rounder truly leaves nothing to be desired, come rain or shine. While the two-vent front air-control system and stretch material across the groin and knees lets you balance out all climates, the special long zipper lets you connect your touring jacket - or jackets from other manufacturers via the short zipper.

Black, sizes: XS-4XL
P/N 990F0-STEX4-Size

71 Scooter gloves⁴

Wrap safety around your little finger - and the other four, too! Thanks to their extra palm padding, pre-formed fingers and excellent fit, these genuine, lightweight leather touring gloves with a mix of Airguard® 500D and reflective Nyspan and a full polyester lining offer all the protection, comfort and style you could ask for.

Black/Grey, sizes: XS-XXL
P/N 990F0-GL080-Size

72 Backpack

Conquer the great outdoors with this sturdy all-rounder: from ergonomically formed bottle holder to eyelet-fitted pockets for your mobile phone, intercom or MP3 player, integrated rainhood, helmet net and enough space for your laptop, this practical Suzuki backpack makes sure your stuff stays dry and in one piece - whatever adventure you may embark on.
